Anyeong, i am psychiatrist. So, i provide the medicine to the affected people, but sometimes i feel that medicine is not for everyone. Do other people feel the same?

Hey guys, just a reminder to take care of your health.
Everybody here has each other's back. I hope everyone will have a nice day :)

Hi do you know how to shut the voices up, i've really tried everything and i've never had this much trouble before. I don't know what to do.

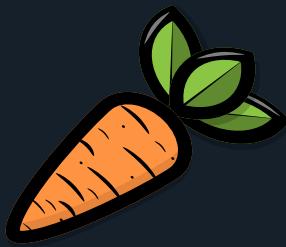

Hello, sorry to hear that you're going through this time. So the in my opinion I believe it is best not to avoid or disregard the voices.
